PROFESSIONAL EXPERIENCE

PRACTICUM STUDENT – PRACTICE IMMERSION

HKS, Inc.

Atlanta, GA

May 2026 – July 2026

- Designed and developed visually engaging graphics, layouts, and user interfaces for websites and mobile apps
- Utilized Procreate to create high-quality, original illustrations and graphic elements tailored to digital platforms.

PROJECTS

Pintora – Creative Art App | *Figma, User Research, Web & App Development, UI/UX Design*

August 2026

- Designed a community-driven art learning platform offering free tutorials, art techniques, material guides, and color theory resources.
- Developed user-centered information architecture and interactive features for tutorial browsing, artist recreations, and community engagement.
- Created UI/UX wireframes and interface designs in Figma, emphasizing intuitive navigation, visual hierarchy, and accessibility.
- Conducted design research and translated user needs into a cohesive digital product focused on accessible art education and creative community.

The Artisan Commons (Summer Studio) | *Illustrator, Rhinoceros 3D, InDesign*

July 2026

- A community-centered market hall built directly above the Decatur MARTA Station, that connects commuters, residents, and visitors.
- The project celebrates local artists, makers, and small businesses through flexible retail spaces, workshops, exhibitions, and community gathering areas.
- Designed to encourage creativity and social interaction, the market features open circulation, abundant natural daylight, and adaptable spaces for seasonal markets, performances, and public events.

Night Watch – Rice Design-a-thon | *Figma, UI/UX Design, User Research*

February 2025

- Create customizable watchlists for movies and shows users want to watch or have already seen.
- Engage in community discussions through separate sections for non-spoiler and spoiler discussions, as well as full reviews.
- Share bold opinions in a dedicated Hot Takes forum, where users can dive into passionate debates and unique perspectives on their favorite content.
